

# ***ALL-IN-ONE BOX***

## **Light Towers**

Regular servicing and preventive maintenance of your machines is important to ensure reliable operation and a long lifetime, while minimizing running costs and breakdowns.

An Atlas Copco all-in-one kit brings you many benefits. Our kits feature selected genuine parts that will make it quick and easy to service your machines. There is one part number per kit, so there is no need to order parts separately. This makes it easy for you to order your kit and receive it on time.
