The I.M.P.A.C.T. Program

Integrated **M**entorship Program for **A**ir **C**ompressor **T**echnologies

Designed to provide intensive, practical, hands-on training, the six-month **I.M.P.A.C.T. Program** gives participants the equivalent of one year's work experience while providing new ways to address the learning curve and experience gap in the industry. At the end of the program, the goal is that candidates are ready to take field-based sales positions across the United States.

The **I.M.P.A.C.T. Program** at a glance:

- Six-month program.
- Gain experience in many different roles.
- Work in sales, marketing, finance, and service.
- Work in many different locations across the United States.
- Shadow experienced salespeople.
- Visit customers across the United States.
- See first-hand how things are made, from wine to motor cars, and everything in between.

Drive Your Career. Explore Opportunities. Realize Your Passion.

Every day, across the United States and around the world, products are manufactured, facilities are constructed, critical bolts are fastened, and all types of gases are compressed and turned into energy. This might seem like a collection of unrelated processes, but one company unites them – **Atlas Copco**.

We believe that there is always a better way. This spirit drives us to provide leading-edge technology, innovative and sustainable products, as well as best in class service to our customers around the globe. That's where you come in – we believe our people make it happen. We provide a collaborative, inclusive and flexible work environment.

We are looking for the very best candidates – we are looking for people like you. We believe that diversity inspires creativity, gives us different perspectives on topics, and drives innovative solutions to customer challenges and needs. Diversity brings new ideas to the table and helps us better understand our diverse customer base.

We only know where the journey starts. Where it ends is up to you!
