

The Atlas Copco logo is displayed in white text within a blue rectangular box. The logo consists of the company name "Atlas Copco" in a serif font, flanked by two horizontal white bars above and below the text.A hand holds a smartphone displaying the SmartLINK app interface. The screen shows a blue header with the Atlas Copco logo and the word "Home". Below the header, the text "PROTECTED AND MONITORED BY SMARTLINK" is prominently displayed in blue, with a small image of a SmartLINK device below it. The background of the phone screen is white with a subtle grid pattern.

PROTECTED
AND
MONITORED
BY SMARTLINK

A large, semi-transparent blue graphic overlay is positioned in the lower-left corner of the page. It features a white technical drawing of a circular mechanical component, possibly a compressor head, with various lines, dimensions, and annotations. The drawing is partially obscured by the text and other elements.

Get Connected!

You have a smart-connected system at your home; why not for your compressed air too? SMARTLINK is so much more! You can rest assured that a dedicated team of specialists are keeping a close eye on your compressed air, gas and vacuum systems.
